

Some of the most frequently asked questions about Medicur -

Natural Magnetic Field Therapy Treatment

Q. What conditions has Medicur had success with?

A. Medicur has successfully treated the pain of all types of arthritis, back pain, osteoporosis, rheumatism, shingles, neuralgia, migraine and headaches, aching muscles and stiff joints, chronic fatigue and M.S. Medicur therapy is also used for the treatment of stress, tension, depression and insomnia.

Q. Is Medicur used in hospitals?

A. Yes. Medicur has been successfully used in selected hospitals & clinics in the UK. Originally the Medicur unit was only supplied to professionals, until major publicity in the national press resulted in substantial public demand.

Q. How successful is Medicur treatment?

A. Medicur therapy achieves a very high success rate with over 90% of patients reporting an improvement in their painful conditions.

Q. When can I expect relief?

A. As soon as your Medicur unit arrives, you can begin treatment. Full instructions are supplied with the unit on how to get started. With all conditions, relief is expected between 2 and 6 weeks.

Q. Can I use Medicur anywhere on the body?

A. Yes. Medicur Pro is perfectly safe to use anywhere on the body and is safe to use with replacement joints or implants.

Q. What other benefits will I get from the Medicur unit?

A. As well as providing pain relief and promoting the healing process, there is evidence that Medicur has the additional benefits of boosting the immune system, improving circulation, restoring sleep patterns, boosting energy levels and giving a general feeling of well-being.

Q. Can I use the Medicur myself or does it have to be used by a physiotherapist or doctor?

A. No, the advantage of Medicur is that it is a self treatment unit which does not use needles, leads or pads, is effective through clothing and is not addictive.

Q. How long has Medicur therapy been used?

A. Medicur has been successfully used for over 25 years, during which time it has undergone considerable clinical evaluation.

Q. Does it carry a guarantee?

A. The Medicur unit itself has a lifetime guarantee, if at any time a manufacturers fault should occur with the unit, we will replace it free of charge with the latest model.

Q. Can I telephone for advice?

A. Yes. We pride ourselves on our quality of service and our fully trained healthcare advisors, who are only a phone call away, will be happy to talk to you about your condition and how Medicur will benefit you.
